

# GREENBAR DISTILLERY | BITTERS

## HOW COULD WE MAKE THE MOST POWERFUL ORANGE BITTERS?

*By enlisting every orange in California  
...and every other baking spice.*

Juicy, warm and complex, Greenbar Orange bitters eliminate the need to use two orange bitters — one for aroma and one for finish — by delivering a powerful, finely tuned version of the classic. Use it to add rich layers of aroma and finish to drinks, dessert and cooking.
