

# GREENBAR DISTILLERY | VODKA

## HOW COULD WE MAKE A MORE VIBRANT LEMON VODKA?

By zesting real California lemons,  
not pouring in fake flavoring.

Juicy and bright, this vodka tastes like real fruit. The secret lies in zesting 2,000 ripe Eureka lemons per batch from local farms, not just using oils and extracts. Update classics like the Tom Collins, Vesper Martini and Lemon Drop or simply sip with soda.
